

Ain't It The Truth?

You used to shed tears because your mother wouldn't let you play with those bad Jimpson boys:

Your idea of a bath was to splash around in a muddy "Swimmin'" hole:

But now you're so fastidious that you'll only smoke one brand of cigarettes:

Nothing but MECCA!

Ain't It The Truth?

MECCA CIGARETTES

A poor tobacco-crop year in Turkey cannot affect MECCA Quality. Hundreds of thousands of pounds of choice Turkish leaf are always kept in reserve—growing mellow all the time.

V. S. A. NOTES.

School Baseball Team Has Played and Won Two Games.

The first baseball game on the schedule was played Wednesday, April 20, with Randolph high at Randolph. At the close of the ninth inning the score stood 6 to 6. Two more innings were played, however, and at the close of the 11th inning, when the game came to a close, the score stood 8 to 8 in favor of V. S. A., who became the possessor of the ball and bat, put up by the proprietor of the Leonard Pure Drug store to the winning team. The fact that this game came at the first of the season is responsible for the many errors made by both teams and without doubt a much better showing will be made when the return game is played at the Center, May 10.

As April 29 was an open date in our schedule a game was secured with Brookfield town team which resulted in a victory of 10 to 1 for V. S. A. The Aggies did excellent fielding throughout the game. The feature hit of the game was made by Pike, when, with two men on bases, he sent the ball far out over the heads of the outfielders, resulting in two scores for V. S. A. and a three-bagger for Pike. Pierce pitched a good game for V. S. A., as did Hall for the Brookfielders, who put up an excellent game considering the fact that they had not been together to play this season.

The following is the complete V. S. A. schedule for the season:

May 6.—V. S. A. vs. K. U. A. at Meriden, N. H.
May 10.—V. S. A. vs. R. H. S. at Randolph Center.
May 13.—V. S. A. vs. Montpelier seminary at Montpelier.
May 19.—V. S. A. vs. Lyndon Aggies at Randolph Center.
May 20.—V. S. A. vs. Montpelier seminary at Randolph Center.
May 23.—V. S. A. vs. Rochester town team at Rochester.
May 27.—V. S. A. vs. Rochester town team at Randolph Center.
May 30.—V. S. A. vs. Middlebury high at Randolph.
June 1.—V. S. A. vs. Lyndon Aggies at Lyndon.
June 1.—V. S. A. vs. Newport high at Newport.
June 2.—V. S. A. vs. Orleans high at Orleans.
June 3.—V. S. A. vs. Derby academy at Derby.
June 3.—V. S. A. vs. Irasburg at Irasburg.
June 7.—V. S. A. vs. South Royalton at Randolph Center.
June 10.—Open.
June 12.—Alumni.

Clapp, who sprained an ankle in the game with Randolph high, is now getting about with the aid of crutches. It is doubtful if he is able to play in the game with K. U. A. at Meriden, N. H., May 6.

Little Gordon Green, who, during the past week has been seriously ill, now seems to be rapidly improving.

CONVICTS' "HELL HOLE" STORY LEADS TO ARNOLD SEARCH

Accurate Knowledge Shown Inclines Officials to Accept Report of Burial Mystery.

Providence, R. I., May 2.—Fresh impetus yesterday was given to the search for the body of Dorothy Arnold, the long missing New York society girl, by statements made by Edward Glennoris, the Rhode Island convict, who says he helped bury the body of the girl in a basement at West Point, N. Y. Test questions were put to Glennoris in a casual manner as to the condition of the roads near West Point and his answers matched up with the geography of the district.

In describing the midnight ride by automobile in which the young woman is said to have been spirited to West Point Glennoris referred to the sudden drop and rise in the state road, about a mile south of West Point. This sudden and steep decline is known to automobilists as "Hell Hole," and it often happens that chauffeurs are unable to keep their cars on the road at this point.

Glennoris told of the halting of the machine at a village just south of West Point, where the "sport," who figures prominently in the convict's story as Miss Arnold's alleged sweetheart, ordered the driver of the car to halt. This bears out the story of Mrs. Charles Engles of Highland Falls, a mile south of West Point, who tells of seeing a car containing several men and a woman, wrapped in a blanket, which had halted in front of her house one February night five years ago.

JEALOUSY LEADS TO DOUBLE TRAGEDY

Successful and Unsuccessful Lover Shoot Each Other in Duel Fought in Hearing of 60 Guests.

New York, May 2.—Two men had loved the same girl; Michel Fantorta won her, and six hours after the wedding ceremony paid with his life for his conquest. George Matazarella, the loser, also gave up his life. He died early yesterday. Each was the victim of the other's revolver in a duel fought in the hearing of the bride and her 60 wedding guests. The bride was Maria Caramella. On the way home from church, Matazarella claimed the privilege of kissing her. Jealous rage leaped to the eyes of her husband, but he said nothing. At the wedding celebration the bride and Matazarella danced together.

After the dance, neither of the men spoke. They looked at each other and walked into the hall. Four shots came in quick succession. Fantorta was dead when his bride reached his side.

Why Suffer From Migraine or Sick Headache?

Dr. J. J. Caldwell says that this exceedingly distressing disease does not shorten life, but does not appear to be curable. Sufferers from this affliction are less frequent, and usually disappear entirely. Palliative measures during the attack are all that it is possible to suggest. The cause of the attack is the best preventive measure. An attack may often be prevented by taking two anti-kamnia tablets when the first symptoms appear, and one anti-kamnia tablet every two hours during the attack shortens it, eases the pain and rest and quiet. Anti-kamnia tablets may be obtained at all druggists. Ask for A-K Tablets. They quickly relieve all pain.
